Essentrics

A dynamic stretching and strengthening program by *Miranda Esmonde-White* that increases full body flexibility, helps relieve pain, unlocks tight muscles/joints, strengthens the spine & core to improve posture, and helps treat and prevent back pain. Also is an age-defying workout that creates a youthful feeling body, improves agility/speed for sports and supports injury prevention. Each class will work all 600+ muscles making it a great complimentary or stand alone workout for all ages and abilities! Try your first class free.
